Yellow warning
Rain

Between
18:00 Tue 31 Oct 2023 and
09:00 Wed 1 Nov 2023

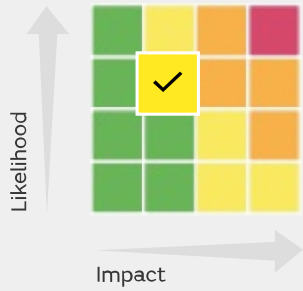
Another period of heavy rain is likely to bring some impacts across Northern Ireland.

What to expect

- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services
- Spray and flooding could lead to difficult driving conditions and some road closures
- There is a small chance that homes and businesses could be flooded, causing damage to some buildings

Further details

After a very brief respite, another spell of heavy rain is likely to push up from the southwest later on Tuesday and at first on Wednesday. Many places will see another 15 to 20mm, with 25 to 30mm possible in a few places, and falling on saturated ground, further impacts are likely in some places.



✓ Medium likelihood of low impacts
